### Private Label Option

- Design artwork with a private label included for sublimation printing anywhere on the cap! No additional charges apply.
- If you'd like to avoid stitch lines crossing the label/logo, we suggest an undervisor placement:
  - Maximum label/logo size: 2cm height and 5 cm width
  - Label placement: 1/2 cm down the center undervisor from the seam allowance guideline

Example:

- For best print quality on cap fabric, artwork line-thickness matters! Refer to the Artwork Parameters document.
